Education

Muhlenberg College, Allentown, PA — Expected Graduation: May 2023
Double Major: **Business Administration & Finance**
GPA: 3.2

Relevant Coursework

ACT 101: **Financial Accounting**

- Fundamental understanding of accounting as a means for decision making by integrating preparation of financial information and written reports for a variety of users with case discussions and oral presentations.
- Participated in analysis of a company using financial data. Further analysis of the industry with inter firm comparisons was done in teams.

FIN 237: **Corporation Finance**

- Developed the major propositions of modern financial theory and the guidance that they provide to the corporate financial manager.
- Focus was primarily on two major decision making areas: the investment decision and the financing decision. The exposition of these two areas requires that the following topics were covered: time value of money, valuation, portfolio theory, the Capital Asset Pricing Model, capital budgeting, and the cost of capital. The use of EXCEL is emphasized.

Other notable Coursework: Principles of Macro and Microeconomics, Marketing, Family Finance 1, , Business & Society, Business Management and Statistical Analysis

Skills: Microsoft Office, Google Suite, EViews
